 Other (provide address below)  
 \_\_\_\_\_

Provide radius (A.) when possible along with the following measurements:

- Total arch length is required. (B.) **Fig. 1.1**
- Measure the entire width of the arch (cord length). If the entire cord length cannot be measured specify the cord length used.(C.) **Fig. 1.1**
- H or height. (D.) **Fig. 1.1**

Note: When the entire width of the arch is not measured verify the height measurement in several locations using the same cord length.

The ends of each arched piece are pre-notched to fit together in the field. **Fig. 2.1**

**Fabrication will proceed only after receipt of the signed approval package that will be sent to you.**
