Signature® 200 Siliconized Polyester

Solar White

Polar White  
(Straight polyester)

# EM FW-120

Signature® 300 Kynar 500® Hylar 5000® Low Gloss

- Final color selection should be made from actual color chips.
- All products available in smooth or embossed finish.
- Trim available in all colors.
- Please review the sample paint warranty for complete performance attributes and terms and conditions.

Colors shown represent the actual color as closely as possible. To ensure exact color for final approval, a metal color chip is available.
